<b>Taps:</b> Any Franke tap can be utilised with this model*.					
*Ceramic disc taps in certain installations or where there is a low head of water (below 4 metres) may not provide adequate flow rates. You are advised to check with your supplier.					
Some taps may need bracing to avoid flexing of the sink ledge.					

The Franke policy is one of continued improvement, and Franke reserve the right to alter models and specifications without notice.

**Guarantee:** Franke sinks are guaranteed for 25 years against manufacturing defect. Franke taps are guaranteed against defective materials and workmanship for 1 year in relation to coatings and finishes, and 5 years in relation to moving parts. Franke will replace (and where appropriate repair) defective sinks. In relation to taps, Franke will where appropriate provide replacement parts for your taps or replace your taps. Any associated or ancillary costs to be incurred by you as a result of replacement of Franke sinks and taps under this guarantee shall in all cases be previously approved by Franke UK Limited.
