

70/30 FRIDGE FREEZER - FROST FREE

PRODUCT CODE

Ri7306

DIMENSIONS

h:1770mm

PERFORMANCE

Energy class E
Nose level C
Energy consumption
218kWh/yr
Max. noise level 41dB[A]
3kg/24hrs freezing capacity

FINISH AVAILABLE

White

GENERAL FEATURES

- Reversible door
- Sliding door installation
- Electronic controls

FRIDGE FEATURES

- Auto defrost
- Top and side LED strip lights
- Super cool
- Caple cool air-flow system
- Caple fresh

FREEZER FEATURES

- 4 star
- Frost free
- Super freeze
- 1 Ice cube tray

DESIGN

- Deluxe steel trimmed interior
- Transparent plastic drawers and compartments

FRIDGE STORAGE

- 3 Removable glass shelves
- 1 Easy adjustable door balcony
- 3 Standard door balconies
- 1 Egg tray
- 1 Humidity controlled drawer
- 1 Crisper drawer
- 1 Crisper cover shelf

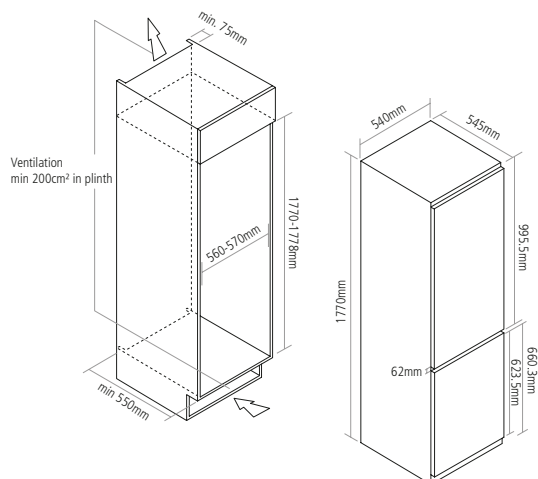

FREEZER STORAGE

- 2 Freezer drawers
- 1 Flip down door compartment
- 2 removable glass shelves

CAPACITY

- 243 Litre total net capacity
- 256 Litre total gross capacity
- 180 Litre fridge net capacity
- 63 Litre freezer net capacity

DIMENSIONS

Features

LED LIGHTING & ELECTRONIC CONTROLS

Strip LED lighting adds a modern feel, while electronic controls are precise and easy to use.

THE FRESHEST FOOD

Caple Fresh technology eliminates ethylene gas (a by-product of fresh foods) inside the vegetable drawer, therefore enabling your fresh food to last for longer. Caple's cool airflow system also ensures cold air will flow to every level for even chilling.

FROST-FREE

No more laborious defrosting with a scraper. Our frost-free system works by heating up an element for a short time, which melts the ice and prevents build-up. Keeping a freezer ice-free means food stays fresher for longer. Freezing food is also much quicker, preserving as many nutrients as possible and freeing up much needed storage space.
