

## Omni Stainless Steel | 119.0389.913

FAMILY : Instant boiling water taps | MODEL : Omni | SERIES : Omni 4-in-1 Tap | FINISH : Stainless Steel

### Boiling water at its most convenient

Ultimate convenience | True 100°C boiling water | Easy Installation | Safety assured | Quick sterilizing – perfect for babies' bottles | Hygienic cleaning | Faster cooking and preparation

### Save energy

The energy use of a boiling water tank is on average 10p/day which is comparable to a light bulb. The average cost to boil a kettle is 2.5p.

No waiting time for hot water | No waste of water or energy | No energy surge caused by the use of a kettle

The Omni 4-in-1 tap delivers not only hot and cold mains water but also cold and 100°C boiling filtered water, marrying the timeless appeal of a swan-neck spout and elegant levers with premium hi-shine solid stainless steel. Omni. One tap does it all.

### IMPORTANT

Please be aware of your water pressure before purchase. If your water pressure is too low, the installation of a pump should be investigated. If your pressure is too high, the inclusion of a pressure reducing valve (not supplied) in the system will be necessary.

Questions? Why not visit our FAQ page in the Support section?
