

# Technical Specification Sheet

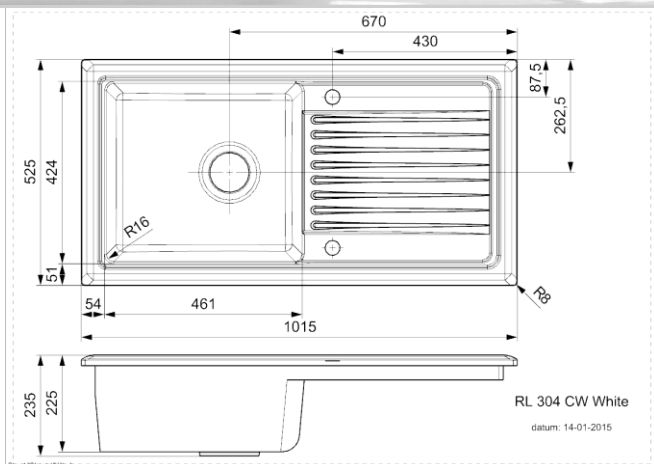

RL 304 CW

SB SD white ceramic sink (R38239)

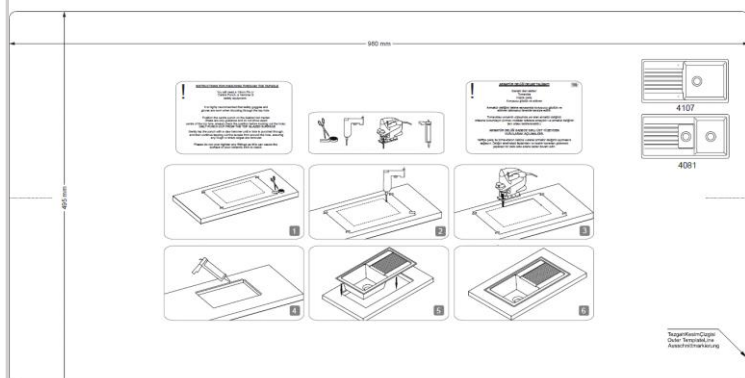

4107C003-7205

# REGINOX

RL 304 CW White  
datum: 14-01-2015

## Additional Information

Tolerance level can be up too +/- 10mm due to the process.

Sink is Designed for 40mm Worktops, If you use a worktop of less than 35mm, please be aware the Sink will protrude on the underside in the drainage area and if you're fitting an appliance there it may foul.

37mm recess under the drainer

Sink is approx. 25mm thick on top of the sink

## Specification

|                             |                                          |
|-----------------------------|------------------------------------------|
| Material                    | Ceramic                                  |
| Finish                      | Glossy                                   |
| Colours                     | White                                    |
| No. of bowls                | 1                                        |
| Fitting Method              | Inset only                               |
| Handing Options             | Reversible                               |
| Cabinet Size (mm)           | 600                                      |
| Overall Length (mm)         | 1015                                     |
| Overall Width (mm)          | 525                                      |
| Overall Depth (mm)          | 235                                      |
| Main Bowl Length (mm)       | 461                                      |
| Main Bowl Width (mm)        | 424                                      |
| Main Bowl Depth (mm)        | 225                                      |
| Second Bowl Length (mm)     | N/A                                      |
| Second Bowl Width (mm)      | N/A                                      |
| Second Bowl Depth (mm)      | N/A                                      |
| Tap Hole Size (mm)          | 35                                       |
| Tap Hole Instructions       | Gently tap punch on top of sink surface. |
| Waste Kit Included (Yes/No) | Yes                                      |
| Waste Size (mm)             | 90                                       |
| Waste Kit Code              | RL 304/404/504 WASTE                     |
| Overflow Location           | Main Bowl                                |
| Cut Out Length (mm)         | 980                                      |
| Cut Out Width (mm)          | 495                                      |
| Product Weight (kg)         | 35                                       |
| Packed Weight (kg)          | 37                                       |
| Packed Dimensions (mm)      | 1060 x 590 x 240                         |
| EAN number                  | 8693405495919                            |

## Warranty

10 Year warranty on the sink only | Serviceable Parts/waste kit etc is 1 year

## Care & Maintenance

Use warm soapy water to clean/maintain sink | Daily Clean spray & Antiscale products are available for deeper cleans | Never use any abrasive chemicals/cleaning products on the surface of the sink as this will invalidate the warranty if used.

**Please note that the red dot labels are for guidance only and do not give the exact centre of the tap hole**
