Material	Cermic																																																													
Finish	Glazed																																																													
Colours	White																																																													
No. of bowls	2																																																													
Fitting Method	Undermount only																																																													
Handing Options	N/A																																																													
Cabinet Size (mm)	600																																																													
Overall Length (mm)	545																																																													
Overall Width (mm)	440																																																													
Overall Depth (mm)	200																																																													
Main Bowl Length (mm)	332																																																													
Main Bowl Width (mm)	388																																																													
Main Bowl Depth (mm)	176																																																													
Second Bowl Length (mm)	144																																																													
Second Bowl Width (mm)	274																																																													
Second Bowl Depth (mm)	120																																																													
Tap Hole Size (mm)	N/A																																																													
Tap Hole Instructions	N/A																																																													
Waste Kit Included (Yes/No)	Yes																																																													
Clips (Yes/No)	Yes																																																													
Waste Size (mm)	90mm Main   60mm small Bowl																																																													
Waste Kit Code	TUSCANY WASTE																																																													
Clips Code																																																														
Overflow Location	Main Bowl																																																													
Cut Out Length (mm)	*Please see diagram																																																													
Cut Out Width (mm)	*Please see diagram																																																													
Product Weight (kg)	28																																																													
Packed Weight (kg)	30																																																													
Packed Dimensions (mm)	480 x 560 x 270																																																													
EAN number	8693405441299																																																													
<b>Additional Information</b>	<b>Warranty</b>																																																													
<b>Please use the Tuscany sink as the template when fitting</b>	<b>10 Year warranty on the sink only   Serviceable Parts/waste kit etc is 1 year</b>																																																													
Item will have a tolerance of +/- 10% due to the manufacturing process.	<b>Care &amp; Maintenance</b>																																																													
Depth under the bowl is approx 25mm. Edges of the sink is 25mm and thickness of 17mm.	Use warm soapy water to clean/maintain sink   Daily Clean spray & Antiscale products are available for deeper cleans   Never use any abrasive chemicals/cleaning products on the surface of the sink as this will invalidate the warranty if used.
